1. Introduction

1.1 Ian Mikardo is an exceptional school and its success depends on selecting exceptional people to work here. T4 Trust Board is committed to safeguarding and promoting the welfare of vulnerable young people and requires all staff and volunteers to demonstrate this commitment in every aspect of their work. Our aim is to help our students to overcome their emotional difficulties and to reach their potential socially and academically, and in achieving this we regard our staff as the school's most important asset.

Just as we welcome people from a diverse range of personal backgrounds, we are keen for our staff to reflect a range of professional backgrounds and to bring different and diverse experiences to their work. While we seek staff who are suitably qualified and experienced to meet the school's human resources requirements and to deliver the school improvement plan, and we follow the legislative requirements of recruitment and selection, this does not mean that we always seek staff with conventional teaching qualifications. We encourage staff to be dynamic and creative, and to find people with these outstanding qualities we often go outside the recruitment field that is typical of educational establishments.

- 1.2 The appointment of all employees at Ian Mikardo High School will be made on merit and in accordance with the provisions of Employment Law, the Education Act 2002, the School Staffing (England) Regulations 2003 and the statutory guidance, *Safeguarding Children and Safer Recruitment in Education Settings* and the school's equal opportunities policy.
- 1.3 The Governing Board will ensure that people are treated solely on the basis of their abilities and potential, regardless of race, colour, nationality, ethnic origin, religious or political belief or affiliation, trade union membership, age, gender, gender reassignment, marital status, sexual orientation, disability, socio-economic background, or any other inappropriate distinction
- 1.4 Students at Ian Mikardo High School are extremely vulnerable and our wholehearted commitment to their welfare and wellbeing makes Child Protection and safeguarding fundamental to our work. We are aware of our Duty to Prevent and regard this as the responsibility of everyone who works in the school. Our approach is child centred, in that it focuses on the best interests of the child at all times, and it is coordinated.
- 1.5 **Appointment of Executive Headteacher**
The Executive Officer of T4 Trust along with a Trustee and Chair of Governors for the school is responsible for the appointment the Head Teacher.

2. Delegation of Appointments

- 2.1 The Governing Board delegates all support staff appointments and all teaching appointments below the level of Assistant Head/Deputy Head to the Head Teacher. The Head Teacher is expected to involve at least one member of the Governing Board in all appointments, except where indicated in 2.4 below, and governors who wish to be considered for involvement will be expected to undertake recruitment selection training, including "Safer Recruitment" training, at the earliest opportunity.
- 2.2 No Governor is to be excluded from being involved in staff appointments unless there is a conflict between the interests of the Governor and the interests of the Governing Board.
- 2.3 A selection panel will be drawn from all Governors who have undertaken recruitment training and who have advised the Clerk to the Governors of his/her wish to be involved in staff appointments as required by the Headteacher.

3. Information for Applicants

All applicants for all vacant posts advertised internally or externally will be provided with:

- 3.1 A Job Description outlining the duties of the post and an indication of where the post fits into the organisational structure of the school
- 3.2 A Person Specification indicating the qualifications, skills and types of experience or expertise which the Governing Board regard as essential or desirable in relation to the job.
- 3.3 An Application Form.
- 3.4 Information about the School and Other General Information:
 - A description of the school relevant to the vacant post
 - A statement about access to the school for applicants who may wish to see it or who may wish to consult the Head Teacher before making an application
 - A statement that canvassing any member of staff, or member of the Governing Board, directly or indirectly, is prohibited and will be considered a disqualification
 - Reference to the school's policy on Equal and Diversity
 - Reference to the legislation concerning the Protection of Children
 - The name of any person who will be available to provide additional information about the post
 - The closing date for the receipt of applications
 - Salary level of the post

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Rehabilitation of Offenders Act 1974
- School Teachers' Pay and Conditions Act 1991
- School Standards and Framework Act 1998
- Education (Teachers' Qualifications and Health Standards) Regulations 1999
- Employment Relations Act 1999

- Education Act 2002
- Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002
- Education Act 2005
- Employment Equality (Age) Regulations 2006
- Work and Families Act 2006

- Equality Act 2010
- Independent School Standards Regulations 2010
- Protection of Freedoms Act 2012
- School Staffing (England) (Amendment) Regulations 2012
- Education (School Teachers) (Qualifications and Specified Work) (Miscellaneous Amendments) (England) Regulations 2012
- Data Protection 2018

4. The following documentation is also related to this policy:

- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children
- National Agreement on Pay and Conditions of Service (Green Book) (National Joint Council for Local Government Services)
- School Teachers' Pay and Conditions Document and Guidance on School Teachers' Pay and Conditions (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We believe this policy should be viewed in **conjunction** with the following policy:

- Safeguarding and Child Protection Policy
- Whistleblowing policy
- Data Protection Policy

We are committed to safeguarding children and promoting the welfare of children and young people and we expect all school staff and volunteers to share in this commitment.

We believe that by creating a culture of safe recruitment by undertaking robust and rigorous processes we will deter, reject or identify people who might abuse children from gaining positions within the school and thereby ensure that the workforce is fully committed to the safe welfare of children.

We ensure that at least one member of the school staff who conducts an interview has completed safer recruitment training. All decisions about the suitability of a prospective employee are based on checks and evidence, including criminal record checks (Disclosure and Barring Service (DBS) checks), barred list checks and prohibition checks, together with references and interview information.

We understand that there are three types of DBS checks:

- **Standard:** this provides information about convictions, cautions, reprimands and warnings held on the Police National Computer (PNC), regardless or not of whether they are spent under the Rehabilitation of Offenders Act 1974. The law allows for certain old and minor matters to be filtered out;
- **Enhanced:** this provides the same information as a standard check, plus any approved information held by the police which a chief officer reasonably believes to be relevant and considers ought to be disclosed; and
- **Enhanced with barred list check:** where people are working or seeking to work in regulated activity with children, this allows an additional check to be made as to whether the person appears on the children's barred list.

We are aware the DBS:

- Maintains barred list of individuals who are unsuitable to work with children and vulnerable adults;
- Will send a DBS certificate to the applicant once the checks are complete. The applicant must show the original certificate to their potential employer before they take up post or as soon as practicable afterwards

5. Single Central Record

Under no circumstance will we allow any individual to carry out any form of regulated activity if we know or have reason to believe that that individual is barred.

We ensure that we maintain an electronic **Single Central Record** called SCR tracker of pre-appointment checks:

- All school staff, including members and trustees of T4 Trust, teacher trainees on salaried routes, agency and third party supply staff who work at the school;

The Single Central Record will record that the following checks have been carried out or certificates have been obtained, and the date on which check has been completed:

- Identity check
- Barred list check
- Enhanced DBS check
- Prohibition from teaching check
- Further checks on people who have lived or worked outside the UK
- Check of professional qualifications
- Check to establish the person's right to work in the UK
- Section 128 checks

We ensure for agency and third party supply staff written confirmation is received from the employment business supplying the member that stipulates all relevant checks, appropriate certificates, confirmation dates and enhanced DBS certificates are in place.

We are aware that from 1 January 2021 the Teacher Regulation Agency will no longer maintain a list of European Economic Area teachers with sanctions.

We understand that we must make any further checks that we think appropriate on applicants that have lived or worked outside of the UK, with those applicants providing proof of their past conduct as a teacher issued by their regulating authority in the country they worked.

We realise that the majority of school appointments is for staff who will be responsible for the care and supervision of children on a regular basis such as teaching, training, instructing, caring for or supervising children; or carrying out paid or unsupervised unpaid work but in contact with children; or engaging in intimate or personal care or overnight activity is known as regulated activity and as part of the process of safe recruitment all prospective employees will need to have an enhanced DBS check with barred list information.

An enhanced DBS certificate without a barred list check is required for all other staff who have regular contact with children but are not engaging in regulated activity.

Under no circumstances will we allow any individual to carry out any form of regulated activity if it comes to our attention that they have been barred.

Also, we are aware that we have “a legal duty to refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- The harm test is satisfied in respect of that individual
- The individual has received a caution or conviction for a relevant offence, or if there is reason to believe that the individual has committed a listed relevant offence; and

- The individual has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left.”

6. Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)

- 6.1 We have a duty to ensure that all volunteers in regulated activity must have an enhanced DBS certificate with barred list check. We will not allow any volunteer to work unsupervised with children or work in regulated activity without the necessary checks.
- 6.2 However, a supervised volunteer 'who regularly teaches looked after children is not in regulated activity.'
- 6.3 We wish to appoint the most suitable person for each vacant position regardless of age or perceived age, marital status, sex, racial or ethnic background, religion or belief, sexual orientation or disability. Also, we will take no account of an applicant's membership or non-membership of a trade union.
- 6.4 We intend to deter prospective applicants and to identify and reject applicants who are unsuitable to work with children. Existing employees, employees on fixed or temporary contracts will be invited to apply.
- 6.5 We expect all applicants to declare whether they are in a close relationship with any employee, worker, volunteer, governor or anyone else connected with this school as we wish to encourage and promote an open and transparent recruitment process.
- 6.6 We believe our recruitment and selection process is systematic, efficient, effective and equal.
- 6.7 We are aware that schools are finding it difficult to recruit and retain teaching staff, support staff and school leaders. We recognise that recruiting and retaining the right staff is at the centre of providing a quality learning experience for student s.
- 6.8 We understand that besides low pay, high workload and stress teachers' also decide to leave the profession because of other factors such as teaching performance resulting in the involvement of the senior leadership team (SLT), feeling undervalued or a behavioural incident involving student s and parents/carers.
- 6.9 We aim to retain and further develop high quality teaching and support staff to ensure quality learning experiences for student s by reducing unproductive or unnecessary teacher workload associated with marking, planning or tracking student progress that does not contribute to the raising of student standards. Also, we need to ensure that we deal with all other issues in order to retain school staff.

7. Safer Recruitment

- The school practices safer recruitment to ensure that individuals who may present a risk to children do not work in our school. We also distinguish between individuals who may present a risk to children and others who have a complex history but do not present a risk to children; rehabilitation is a foundation of the school's ethos. If appropriate, we seek an enhanced DBS with barred list check, and work with the Local Authority and the school's HR Advisor to assess and mitigate any risks.

- The Governing Board is mindful that The School Staffing (England) Regulations 2009 require it to ensure that at least one person on any appointment panel has undertaken safer recruitment training.
- Volunteers who have not been DBS checked work in the school only when supervised by a permanent member of staff.
- All staff must have a valid DBS when working at IMHS, if under exceptional circumstances a member of staff is found to have a DBS that is more than 3 years old they will be asked to complete a new DBS check immediately and a risk assessment will be carried out in order to determine if the member of staff will be able to continue their duties under the full supervision of a permanent member of staff until a new DBS has been obtained.

DBS Check Risk Assessment

This form can be used to assist the assessing and recording the risks of allowing someone to start work or volunteer at The IMHS prior to a DBS (Disclosure and Barring Service) check being received or where a DBS Certificate shows relevant convictions or other relevant information.

The assessment of risk must be undertaken in accordance with the T4 Trust's Policy on Employment of Ex-offenders and Disclosure and Barring checks.

The completion of this risk assessment form is the responsibility of the appointing manager or line manager as appropriate. It must be authorised by the CEO of T4 Trust before the person can start or continue working with children or vulnerable adults or their records.

The completed risk assessment form must be placed on the individual's personnel file or other appropriate file and made available for Safeguarding and Ofsted Inspections.

However, whilst KCSIE allows you to start someone in post before the DBS results are received, this can create a complicated employment law situation.

Allowing someone to start before the outcome of checks are known could lead to the employee to claim that a contract has been entered into. To prevent this happening, you will need to be clear with the employee that:

- Starting the job under supervision means that they have not entered into an employment contract yet
- Their contract will be issued only when the results of the DBS are received
- If the results of the check show they are unsuitable for the role, their services will no longer be required from immediate effect

There may be worth in taking formal legal/HR advice in these situations.

The DfE and Ofsted expect starting staff without a DBS check should only **in very exceptional circumstances**. Even if you can prove exceptional circumstances, you will need to provide Ofsted with the full rationale and Ofsted will expect to see the steps taken to reduce risk and safeguarding children.

People may therefore only work in these circumstances when the following applies:

- The appointment is necessary to allow the service provision to continue,
- In the case of children, the person has an enhanced DBS certificate issued within the last 3 months by another body and the person provides the original enhanced DBS certificate to the appointing manager as evidence.
- An enhanced, DBS check has been applied for by the school,
- The person has no unsupervised contact with children,
- They have no access to sensitive records, particularly information about individual children.
- This risk assessment and risk management plan has been completed and signed off by the relevant manager.

Due to the high risks involved in appointees working in one to one situations or similar environments, they must not start work until the fresh DBS certificate has been received.

Please note that candidates may be able to carry out induction, training and supervised tasks whilst waiting for the DBS certificate to be returned.

*Managers should ensure that all staff are aware of these arrangements.

When preparing the risk assessment the assessor should consider and rate the following:

RISK	CONSIDERATIONS	RISK RATING – HIGH, MEDIUM, LOW	NOTES	ACTION REQUIRED
The DBS certificate	<ul style="list-style-type: none"> • How old is it is the last certificate/check? • Are there any convictions, cautions or other relevant information listed? Are any of them recent? • Have they provided the original certificate? • Is the check the right level of check (enhanced, or enhanced with barred list information if appropriate)? Only do this if you decide to accept an existing certificate – if you're getting a new check, wait until the results have come through to conduct your criminal records assessment. 			

RISK	CONSIDERATIONS	RISK RATING – HIGH, MEDIUM, LOW	NOTES	ACTION REQUIRED
Employment history	<ul style="list-style-type: none"> • Are there any unexplained gaps in their employment history? • Have they provided a satisfactory explanation for why they left their last job? • Have we confirmed that the job history they've provided is accurate? 			
References	<ul style="list-style-type: none"> • Have they provided appropriate references? • Have the references been received? • Did the references mention any cause for concern? If so, have we followed up? 			
Conduct at interview	<ul style="list-style-type: none"> • Did their conduct or presentation during the interview stage raise any questions or concerns? 			
Application process	<ul style="list-style-type: none"> • Have their answers been consistent across all stages of the interview process? <p><i>(If the answer is 'no', make a note of when and how you followed up on inconsistencies or anomalies)</i></p>			

RISK	CONSIDERATIONS	RISK RATING – HIGH, MEDIUM, LOW	NOTES	ACTION REQUIRED
Additional recruitment checks	<ul style="list-style-type: none"> • Is the applicant fit to work? • Have we completed qualification checks and prohibition from teaching checks (where relevant)? • Have 'right to work' checks been completed? • Has the applicant lived or worked outside of the UK? If yes, have we conducted relevant overseas criminal record checks? 			
References	<ul style="list-style-type: none"> • Do we have two references for the applicant? • Were any concerns raised or additional information provided? 			

Any decision should be based on the information provided and then collated. The decision will then be:

High Risk: - The person should not be allowed to start without a new enhanced DBS check, as there has been a break in service of more than three months and they do not have an Enhanced DBS Certificate and/or there is insufficient information known or inconsistent information provided.

Medium Risk: The person may start work, and although there is sufficient information, there is a gap in service of more than three months, or the person does not have an Enhanced DBS certificate. The person must be supervised at all times and not undertake any one to one work or have access to individual children’s files. This person must always be within sight and hearing of a staff member with an enhanced DBS check

Low risk: The person may start work without additional supervision, as they already hold a valid DBS check and there is not break in service or more than three months and all other checks have been satisfactory.

DBS Disclosures with Information

- When a DBS check is returned positive, the Headteacher or Deputy Head will discuss the circumstances with the individual and complete a Positive DBS risk assessment and seek advice from the CEO and HR before reaching a decision on whether to proceed with the appointment.
- Because the school is part of a Multi-Academy Trust (MAT) the chair of trustees must provide the Clerk to the Trustees with details of an enhanced DBS certificate. It is considered good practice for details to be provided to the DSL and for this information to be recorded on the Single Central Record.

FURTHER COMMENTS/OVERALL SUMMARY

Employee's comments:

8. Work life Balance

We recognise the importance of ensuring all school staff enjoy a reasonable balance between their working life and their out of school commitments and interests. This may help identify any incidents or issues that have happened, and are publicly available online, which the school or college might want to explore with the applicant at interview.”

Pre-appointment checks for all new appointments

We understand that any offer of appointment made to a successful candidate, including one who has lived or worked abroad, must be conditional on satisfactory completion of the following pre-employment checks:

- Verify a candidate’s identity
- Obtain (via the applicant) an enhanced DBS certificate (including barred list information, for those who will be engaging in regulated activity)
- Obtain a separate barred list check if an individual will start work in regulated activity before the DBS certificate is available
- Verify the candidate’s mental and physical fitness to carry out their work responsibilities by asking the applicant relevant questions about disability and health in order to establish whether they have the physical and mental capacity for the specific role
- Verify the person’s right to work in the UK. If there is uncertainty about whether an individual needs permission to work in the UK, then prospective employers, or volunteer managers, should follow Advice on the GOV.UK website
- If the person has lived or worked outside the UK then further checks may be appropriate
- Verify professional qualifications, as appropriate by using the Teacher Services’ system to verify any award of qualified teacher status (QTS), and the completion of teacher induction or probation
- Check whether the candidate is not subject to a prohibition order
- Independent schools, academies and free schools must check that a person taking up a management position is not subject to a section 128 direction made by the Secretary of State

- If an enhanced DBS certificate is required then it must be obtained from the candidate before or as soon as possible after the person's appointment. But there is no requirement to obtain an enhanced DBS certificate or carry out checks for events that may have occurred outside the UK if during a period which ended not more than three months before the person's appointment, the applicant has worked in a school in England in a post:
 - Which brought the person regularly into contact with children; or
 - To which the person was appointed on or after 12 May 2006 and which did not bring the person regularly into contact with children

An appointment will not be confirmed until receipt of all of the above.

18. Terms and Conditions of Employment. The successful candidate will be sent:

- A letter offering them the job
- A statement of the terms and conditions of employment

The successful candidate will sign and return a form accepting the job and its conditions.

21. Probationary Period

- All new employees will be subject to a satisfactory probationary period during which their progress will be monitored by their mentor.
- Probation interviews will take place in their first and second term after which a recommendation will be discussed to establish whether the employment should be confirmed, extended or terminated.

22. Single Central Record

We will keep a single central record of recruitment and record checks of:

IMHS – Safer Recruitment, Retention and the Single Central Record Policy

Review Date: September 2023

We are aware that from 1 January 2021 the Teacher Regulation Agency will no longer maintain a list of European Economic Area teachers with sanctions.

We understand that we must make any further checks that we think appropriate on applicants that have lived or worked outside of the UK, with those applicants providing proof of their past conduct as a teacher issued by their regulating authority in the country they worked.

Other checks may be included such as:

- Childcare qualifications
- Safeguarding and safer recruitment training dates

SCR Tracker Software

We use SCR Tracker as our Single Central Record which supports us in ensuring that the school remains compliant and mitigates that risk of a DBS becoming overdue for renewal.

SCR tracker helps us to adhere to safeguarding guidelines which enables us to keep our students safe.

The SCR Tracker Software helps us to maintain best practices and reduces the risk of human errors, if a member of staffs information is missing or becomes out of date a notification alert will show up on the dashboard as non-compliant until the necessary information has been ascertained and recorded onto SCR Tracker.

Raising Awareness of this Policy

We will raise awareness of this policy via:

- The Staff Induction Pack
- The school website
- Reports such as the annual report to parents and Headteacher reports to T4 Trust and the Local Governing Board.

23. Training

All school staff:

- Have equal chances of training, career development and promotion
- Receive training on induction which specifically covers:

 - Contract of Employment
 - Data Protection/GDPR-UK

- Receive periodic training so that they are kept up to date with new information
- Receive equal opportunities training on induction in order to improve their understanding of the Equality Act 2010 and its implications

24. Safeguarding

We are committed to safeguarding and promoting the welfare of all children as the safety and protection of children is of paramount importance to everyone in this school. We work hard to create a culture of vigilance and at all times we will ensure what is best in the interests of all students.

We believe that all our students have the right to be safe in our society. We recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning and welfare support for both students and school staff, training for school staff and with working with parents. We teach all our students about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all our students to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

25. Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any student and it helps to promote equality at this school.

26. Race Disparity Audit

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

27. Monitoring the Implementation and Effectiveness of the Policy

The practical application of this policy will be reviewed annually or when the need arises by the Deputy Head, the Headteacher and the nominated governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Local Governing Board for further discussion and endorsement.

28. Linked Policies

- Data Protection and the General Data Protection Regulation (GDPR)
- Performance Management
- Continuous Professional Development

29. Addendum

- Standalone checks of the children's barred list will be administered by the Teaching Regulation Agency (TRA) on behalf of the DfE which means that standalone barred list checks can no longer be obtained from TP Online or from the various umbrella bodies and supply agencies who currently sell these checks;
- Schools need to ensure that they see the original (paper) DBS certificate for all new appointments in regulated activity with children. A digital certificate or letter of clearance is not acceptable;
- If the appointee is transferring directly from another school in England without a break in service of three months or more, the appointing school can undertake a stand-alone barred list using the TRA website.
